

Adventure Quest

2011-12

Spend the day with your park and recreation district, as we dabble in arts and crafts, explore science projects, play classic gym and recess games, learn about nutrition and fitness, as well as teamwork. We also have our homework help program at Adventure Quest, BrainBusters, as well as an introduction to team sports and much more! Each week we provide themed activities to engage your child. We have before and afterschool options, as well as full day-non school day activities for your child. Come join the Adventure Quest Recreation Leaders at your school and get in the fun, and remember to be....Always Ready to Play!
