ARE YOU EXPIRED?**

Orientation begins at 6:45PM

RAPRD Activity Center

RAPRD requires parents of every sports league participant to complete a 45-minute orientation prior to the beginning of play. The orientation developed by PAYS is designed to educate and motivate parents to create a youth sports environment that is safe, positive, meaningful and fun for all involved. Parent(s)/guardian(s) must complete the orientation. Look for **"Pays Orientation Required"** in our program descriptions. Doors close 5-minutes after the start of orientation. Late arrivals will not be admitted. Because of limited space we prefer children do not attend these classes. Classes listed above are free of charge.

Can't make it to a class? Take PAYS online. The online charge is \$6.00. **Must complete the online class if you are not attending a scheduled class.**

NAYS COACHES CLINIC (National Alliance for Youth Sports)

Welcome coaches! We are excited to have you join our team and look forward to a great season. All coaches must attend a 2 hour coaches clinic prior to the start of each sports season. This clinic will discuss the parks districts sports philosophy and give you some basic information about the sport you have chosen to coach. Additionally, team rosters and supplies will be passed out during the clinic.

We require our coaches to fill out a coach's volunteer form and consent to a background check. You can download forms from our website www.raprd.org.

You will be notified of the date, time and location of the coaches clinic after registrations have ended. Team rosters and supplies will be passed out at the meeting.
