1. Call to Order:

Hayes McCoy called the meeting to order at 7:31am
Adjustments to the Agenda: None
2. Communications: None

## 3. Presentation:

a. Mid-Year Financial Review:

Katie Hammer said that at $50 \%$ into the fiscal year and we are at $74 \%$ budgeted income and at $34 \%$ of expenses. She said the bulk of our revenue is from property taxes resulting in the property tax percentage of revenue being higher than normal this year. Savings in expenses are in both personnel services and material and services due to reduced staff due to layoffs and not filling positions in addition to not operating as many programs therefore reducing expenses. It is anticipated that the district will end this fiscal year with an ending balance similar to the beginning of the year.

## 4. Consent Agenda:

Approval of the General Board Meeting Minutes from January 12, 2021;
Acknowledgment of Receipt of January 2021 Financial Summary:
Matt Gilman made a motion to approve the consent agenda with a spelling correction to Mercedes Cook-Bostick's name. JoAnne Fletcher seconded the motion. Motion passed unanimously.
5. Action Agenda Items: None

## 6. Discussion Items:

a. Goals Progress: Katie Hammer presented the goals timeline. She said one of the strategic actions is improving the registration process and we completed research on park and recreation management software. We completed three demos last month, and Matt Gilman was able to participate in two of them. Katie said she is in the process of reviewing public contracting rules to make sure we are following them, and she said based on the expense we will have to go out for a formal RFP and will send it out late February or early March and the board will consider approval of a new software provider in April or May.
Katie also talked about the other goal scheduled to be completed in February which is the janitorial handbook for aquatics. This is almost completed, and Jessica Rowan is working on converting it to a flip book so she can easily email it to her staff. Jessica also is working on scheduling a more specific rotation for specific tasks which should be finished by the end of this month.
b. RAPRD Facility/Program Status: Katie said the pool opened a week ago with 6 people allowed per time slot. She said we are the only aquatic facility open in the region and because of this it makes it difficult to get in to swim. She also said that the Activity Center can run in person fitness classes and people are able to come into the gym to work out too with a maximum of 6 people. She said that we are running hybrid fitness classes, streaming the classes so people can register for live or in person classes. She anticipates that we will be running hybrid classes through summer based on numbers we can have in our building. Katie also added
that we trying to run as many of our programs as possible while meeting the COVID guidelines.
c. Spring and Summer Events: Katie said that we will not be able to offer a July $4^{\text {th }}$ event like we have in past years based on the number of people that have attended. She said as a staff, we would like to offer something. We are working on a July $4^{\text {th }}$ fields games day event. She said we are working out the details.

She said we are also planning on running an event at Tetherow in May and Touch a Truck. She said there will be a scavenger hunt and a fitness challenge in the spring as well.

## 7. Public Comments:

Mercedes Cook-Bostick asked about soccer registration numbers. Katie Hammer responded we are not where we would like to be and there is a possibility that we will extend the deadline. Mercedes asked if we did extend the registration deadline if we could have posts in Spanish because of language barriers.

## 8. Board Staff Comments:

Joanne Fletcher said she will be coming back to Redmond by the middle of March.
Matt Gilman said he has been back in the pool and is looking forward to more swimming and more times.

Zack Harmon said he may not be able to attend the next two meetings.
Ed Danielson asked if we are in a holding pattern for the Activity Center building. Katie Hammer informed the board that the city has confirmed that they are on schedule with the planned Odem-Medo extension and we have to vacate that building by March of 2022. We are planning on offering programs there through December then move our fitness classes to Pleasant Ridge or the Senior Center. Our enrichment programs will be moving to other locations as well. We will not have weights or cardio.

Hayes McCoy thanked Katie and the staff for keeping the district in the financial black.

## 9. Adjournment:

Hayes McCoy adjourned the meeting at 8:05am

## STAFF RESOURCE:

ACTION PROPOSED: Approval of Resolution \#3, Authorize Tractor Purchase

## BACKGROUND:

RAPRD purchased a Kubota B3300SU tractor in 2009. This equipment is used at the high desert sports complex for routine maintenance and facility ground repairs. Parks maintenance staff has reported regularly the last few years that the tractor has some safety issues because it is unstable. The Kubota also has some mechanical issues, mainly with the bucket that have been ongoing even though it has regular maintenance.

Parks Supervisor, Gary Davis has requested that the district replace the current Kubota tractor with an equivalent one that does not have the safety issues. He received three estimates for similar tractors.

These estimates are:
2020 John Deere 3032E - \$22,373.00
2021 New Holland WM25-\$19,719.77
2019 Yanmar SA424-\$14,885.00

The dealers for the New Holland and Yanmar will accept the Kubota as a trade in to reduce the cash cost. Both dealers have offered $\$ 4,500$ for the Kubota.

The only tractor that Gary has been able to try is the New Holland as both the John Deere and Yanmar need to be brought here if we purchase one of them.

BUDGET NOTES: A tractor is in the current fiscal year budget. The budgeted amount was $\$ 9,400$. All of these options will be over the budgeted amount. However, staff will not be recommending that the truck was budgeted to purchase this fiscal year occurs this year leaving funds available for a tractor.

STAFF RECOMENDATION: The tractors that have been quoted may not be available at the time the board votes on the purchase. Staff is requesting authorizing to spend a maximum of $\$ 15,194.12$ after trade in of the Kubota.

# REDMOND AREA PARK AND RECREATION DISTRICT Resolution \#3 2020/2021 

RESOLUTION AUTHORIZING STAFF TO PURCHASE TRACTOR

WHEREAS, the Board of Directors of the Redmond Area Park and Recreation District serves as the Contract Review Board for the District, and

WHEREAS, three quotes for similar tractors were received.
The quotes received were:

| Company | Tractor Model | Purchase price |
| :--- | :--- | :--- |
| John Deere | John Deere 3032E | $\$ 22,373.00$ |
| Klamath Basin Equipment | New Holland WM25 | $\$ 19,719.77$ |
| AG West Supply | Yanmar SA424 | $\$ 14,800.00$ |

WHEREAS, Klamath Basin Equipment and AG West Supply will use the trade in of the Kubota tractor, currently owned by the district to reduce the total balance paid by $\$ 4,500$.

WHEREAS, Supply for these tractors is limited and the dealers are under no obligation to hold the tractor while the district is getting approval for the purchase.

NOW, THEREFORE, the Contract Review Board authorizes district staff to spend up to $\$ 15,194.12$, after trade in for a new tractor.

RESOLVED this the 9th day of March 2021.
